Professional Summary

Visual and Brand Identity Strategist with 4+ years of experience in 2D animation, kinetic typography, and brand identity design for digital, broadcast, and social platforms. Skilled in translating brand strategy into cinematic title-sequence-style visual storytelling, combining strong typography, color, and pacing with end-to-end creative production — from concept and storyboarding through style frames and final animation delivery. Track record of increasing client engagement by up to 75% and reducing revision cycles by up to 80% through clear cross-functional collaboration with marketing, content, and creative teams. Seeking a remote or international motion design / brand design role.

Core Skills

- **Motion Graphics & Animation:** 2D Animation, Kinetic Typography, Title Sequence Design, Explainer Videos, Storyboarding
- **Brand & Visual Identity:** Logo Design, Brand Guidelines, Style Frames, Print & Digital Collateral
- **UI/UX:** Wire-framing, Prototyping, Interaction Design
- **Software:** Adobe After Effects, Blender, DaVinci Resolve, Illustrator, Photoshop, InDesign, Figma, Procreate, Clip Studio Paint
- **AI & Emerging Tools:** Claude, Nano Banana, Playground AI, Gemini, Mid journey, DALL-E, AI Video Generation (Kling AI, Google Flow), ElevenLabs
- **Creative Process:** Background Research, Concept Development, Art Direction, Client Presentations
- **Project & Workflow:** Cross-Functional Collaboration, Remote Team Communication, Deadline & Stakeholder Management

Professional Experience

Graphic Designer 2025 – 2026

Beatroute — Gurugram, India

Tools: Figma, Adobe Photoshop, After Effect, Indesign, Illustrator, Procreate, Blender 3D, Automation, Claude

- Built automated graphic templates and workflows that cut production turnaround time by 50%, enabling 2x creative output without sacrificing quality.
- Partnered with marketing specialists, content planners, and social media managers to align animation pacing and visual tone with campaign strategy, reducing client revision cycles by 80%.
- Redesigned brand visual systems for platform-wide consistency, driving a 75% increase in average client engagement.

Graphic / Visual Designer 2023 – 2025

CherryHills Interiors Pvt Ltd — India

Tools: Figma, Adobe Photoshop, Illustrator, Procreate, Blender 3D, Gemini

- Delivered brand identity and campaign visuals for global enterprise clients — including Google, TATA, and McCain — supporting large-scale interior branding initiatives.
- Produced pitch decks, brochures, and large-format print collateral for MNC accounts, managing concurrent deadlines across multiple client workstreams.
- Contributed UX wireframes and prototypes in Figma for internal tools, improving interface clarity and usability.

Visual Designer 2022 – 2023

IJRDO Journals — Gurugram, India

Tools: Figma, Adobe Photoshop, Illustrator, Canva, AI

- Designed brand identity systems — logos, style guides, and marketing collateral — for clients across the education sector.
- Storyboarded and prepared animation-ready assets, bridging static brand design work with motion production pipelines.
- Partnered with marketing teams to produce print and digital campaigns aligned to established brand guidelines.

Graphic & UI/UX Designer 2022

Blu Industries — Kerala, India

Tools: Figma, Adobe Photoshop, Illustrator, Canva

- Designed and animated product ad sequences for in-house campaigns, strengthening brand recall across platforms.
- Produced graphics for social media, broadcast, and web campaigns that increased average client-account engagement.
- Collaborated with creative directors and copywriters on visual storytelling, reducing revision cycles by 60%.
